CITY OF RIO RANCHO
REQUEST FOR PROPOSALS (RFP)

RFP NO.: 15-PW-004
Planning, Design and Construction Management Services for a New Booster Station at Tank 8 Site

The City of Rio Rancho, Department of Financial Services, 3200 Civic Center Circle, NE, Rio Rancho, New Mexico 87144, will receive proposals for referenced RFP, no later than Tuesday, September 30, 2014, at 10:00 a.m. local time at the Office of the City Clerk, Suite 150 in City Hall.

The City is soliciting proposals from qualified consultants to provide for the planning, design and construction management services for a new booster station at the Tank 8 site (located at Northern Boulevard NE and 2nd Street NE) and the connection of the booster station into the existing system to provide potable water to the existing and future tanks at Well Site 13 (located at Northern Boulevard NW and Encino Road NW). As part of this project, a site and piping layout for a future tank, well, arsenic removal facility and related appurtenances at Well Site 13 will be prepared and analyzed during the planning phase. An environmental information document (EID) and preliminary engineering report (PER) shall be developed for the new booster station at Tank 8 and for the proposed layout at Well Site 13 following the New Mexico Environment Department (NMED) Construction Programs Bureau State Environmental Review Process. The City will be utilizing City funding for this phase of the project.

RFP packages may be obtained through contacting the point of contact listed below or by visiting the City's website at, http://www.ci.rio-rancho.nm.us/bids.
